

“Stories can conquer fear, you know. They can make the heart bigger.”
– Ben Okri

Dear Parents,
Greetings!

Children have an innate love of stories. stories create magic and a sense of wonder in the world. Stories teach us about life, about ourselves, and about others. Story weaving is a reflection of a child's mind, it brings out their true selves and enhances their thinking capacity. It helps young people learn to think creatively, reason systematically, and work collaboratively, which are essential skills for life in the 21st century.

We at LVIS, NE are delighted to announce ‘**Animate a story - Inter-class competition**’ for grade VI students on **23rd July 21**. The main objective of the competition is to encourage students to look beyond their textual knowledge. This competition emphasises on promoting a fun way of enriching the learning process and fostering team building along with the integration of subjects. The students will participate across the sections with their fellow mates, encouraging a healthy competitive spirit amongst them.

Given below are the guidelines for the ‘**Animate a story - Inter-class competition**’-

- Students will be making a story in scratch online editor (Scratch.mit.edu)
- Students must have an account on scratch.mit.edu.
- Time duration of the story should be 3-5 minutes.
- Time duration of the competition would be 60 mins.
- Topic/theme will be announced on the spot.
- Students to mail their story’s screen recording to Ms. Deepika Agarwal at deepika.x.matanhelia@gmail.com

Judgment criteria

- Programming concepts used
- Creativity
- Language fluency
- Relevance of the content
- Design and overall presentation

Looking forward to active and enthusiastic participation.

Warm regards

Ms Indu Yadav

Principal
