INTERNATIONAL SCHOOL
GREATER NOIDA WEST (NOIDA EXT.)
Learning to Be

Everybody is a genius but if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid.

~Albert Einstein

Dear Parent,
Greetings!

We are pleased to inform you that the school is launching a comprehensive **Career Counselling Programme**, which aims at organizing career guidance sessions, aptitude testing sessions and interactive sessions with experts from different industries, to help familiarize our students with the various career options and the prospects of the same.

As a first step in the direction of helping our students make informed choices, we have organized a **Career Guidance** webinar for the students of grades IX and X on **Saturday, 10th July, at 10 AM.**

The session is being specially designed to throw light on the different streams that the students can opt for in grade XI, the career options related to different streams, and the aptitude requirements for the streams.

The key speaker on the occasion will be 'Mr. Binit Kumar Binod', a management graduate and an alumnus of Birla Institute of Technology, Mesra, Ranchi. Mr. Binod has over a decade of experience in guiding and mentoring students in the field of careers.

We strongly feel that the webinar will be a vital step towards the achievement of the school's goal of ensuring that all our students take up careers that are best suited to their abilities and interests, and we look forward to your participation in the same.

We request you to kindly give your consent to attend the webinar by filling up the google form, the link to which is attached with the message. The other details of the webinar will be shared with you accordingly.

Warm regards

Indu Yadav
Principal
