Dear Parent

Thank you for choosing Lotus Valley International School, Noida Extension for your child's school experience. We warmly welcome you for an exciting and enriching educational journey of your children. We are as eager and happy to take the children in our fold as you would be to embark on a new phase of life with your ward. It will be our sincere endeavour to make the transition smooth and joyful for our lovely children.

As we are aware that the COVID-19 pandemic continues to disrupt the world, although with the vaccination drives across the world gaining momentum, its end might be close. As per the circumstances, guidelines of the government and parents' consent, the mode of teaching (in-person / virtual) would be decided and communicated to you. In both scenarios, the school is fully prepared to make the experience rewarding and meaningful.

I'd like you to note the following to get you onboard.
