

02.08.2021

INVITATION
Coffee Mornings with the Principal

At Lotus Valley International School, Noida Extension, we believe that a strong home-school connect can enhance children's performance, improve their confidence and overall development.

With the above in view, we are starting coffee mornings in the virtual mode, to create a forum to discuss our children's education and new initiatives being taken up by the school to augment their learning.

In furtherance to the same, we would like to invite you on Saturday, 07.08.2021 at 9:30 am for the 'Coffee Mornings with the Principal'.

Please send a line of confirmation to the class teacher by tomorrow 03.08.2021. The link for the same will be shared accordingly, Looking forward to an interactive session.

Warm regards
Ms Indu Yadav
Principal
