

TECH RAIN IT CHALLENGE

Date:09.07.2021

Dear Parent

With the ever evolving and dynamic educational landscape, it becomes imperative to equip students with tools to make them future ready. Experimentation and learning through technology builds mastery in problem solving, logical, critical and creative thinking, and offers them fun opportunities to practice what they learn. In one such endeavour, Lotus Valley International School, Noida Extension is conducting the Tech Rain IT Challenge Week from 12.07.2021 to 16.07.2021.

This week will empower our learners with 21st century skills and provide a platform to showcase their tech skills.

Following is a brief introduction of the type of activities planned grade wise:

Grade	Topic	Platform
III	Story Creation (Comic Strip)	Storyboardthat.com Pixton
IV	Short Animation	Scratch Jr
V	Movie/Video Making	Inshot/ Filmora/Kinemaster

Grade	Section	Date
III	Maurya	12.07.2021
	Akbar	12.07.2021
	Augustus	13.07.2021
	Ashoka	13.07.2021
	Caesar	14.07.2021
	Alexander	14.07.2021

***Note:**

- The activities will be held during the ICT periods.
- The topic will be given on the day of the activity.
- Students are requested to be ready with the hardware and software required.

Warm regards
Ms. Indu Yadav
Principal
