

Dear Parent,  
Greetings!

**“The biggest threat to Nature is a belief that someone else will save it.”**

LVISNE, believes in sensitizing the young learners about the prevailing environmental issues, creating awareness to preserve the most valuable natural resources and giving them a platform to voice their opinions on the Earth Day. In continuation of the same, a week-long celebration ‘**Nature Nurture Week**’ is being organized for the learners of grades **III to V**. The theme will implore the learners to explore nature, appreciate its beauty, realize its importance and take forward the cause of protecting Mother Earth that we share. A plethora of activities have been organized to engage the young learners to adopt eco-friendly practices for a sustainable future and become torch bearers of tomorrow. We look forward to an enthusiastic and passionate participation from our budding environmentalists.

The plan of the week is enlisted below:

Date		Grades III - V
Wednesday 19.04.2023	III	‘ <b>Everyday is Earth Day</b> ’ Campaign Students will make signages and spread awareness
	IV	<b>Story Telling Session</b> Followed by ‘ <b>Comic Strip Making</b> ’ activity
	V	‘ <b>Oil Spill Experiment</b> ’ followed by a reflection activity
Thursday 20.04.2023		<b>Assembly - Earth Day</b>
Friday 21.04.2023	III	Origami Composition Competition: <b>SDG 15 - Life On Earth</b>
	IV	Origami Composition Competition: <b>SDG 14 - Life below Water</b>
	V	Panel Discussion: Climate Change; <b>Reality or Myth?</b>

Warm regards

Ms. Indu Yadav  
Principal
