

**CIRCULAR**  
**CODING AND INVENT**  
**GRADES I TO XII**

*"Coding fuels innovation, igniting a world where ideas become reality and possibilities are limitless."*

At LVISNE, we believe in providing transformative opportunities for our students' growth and development, which is why we are excited to announce our collaboration with **K12 Activity Academy Pvt Ltd (by Microsoft)**. This collaboration offers our learners an incredible chance to explore coding, AI, and enterprise knowledge.

Through outcome-driven programs, our students will delve into various coding disciplines, gain insights into different types of enterprises, functions, and levels. They will not only learn about enterprise culture, collaboration, strategy building, and entrepreneurial skills but also develop measurable outcomes, resulting in a well-rounded understanding of the dynamic world of business and technology.

The sessions will be conducted online and led by industry leaders from Microsoft, Google, TCS, and other experts. Here is a breakdown of the program structure based on grade levels:

**Grade I to VII - Coding:**

**Duration-20 to 30 weeks**

**Grade I to IV:** Game development using MakeCode

**Grade V to VII:** Website development, App development, and App publishing using Thinkable

**Grades VIII to XII – Invent Shark-Tank (Internship + Entrepreneurship):**

**Duration-20 weeks, 1 Class per week**

Students will have the opportunity to run an Edtech enterprise, choosing roles and functions of their preference. A student CEO will be selected, and an organization will be built under their leadership. This inclusive and self-sustained platform allows students to choose from roles such as Finance, HR, Marketing & Sales, IT, Corporate Relations, CSR, PR and Coding. Upon completion of this program, students will have the opportunity to showcase their achievements and compete at an international level, demonstrating their skills and entrepreneurial prowess on a global platform. Interested students can provide their names to their respective class teachers. For further inquiries, please contact:

Ms. Natasha at 9650239090 (Grade I to V)

Ms. Deepika Agarwal at 9582673111 (Grade VI to XII)

The program cost for the complete course is approximately Rs 3500 per participant.

We eagerly anticipate enthusiastic participation from all our students.

Warm regards

Ms Indu Yadav

Principal
