***“There is no higher religion than human service. To work for the common good is the greatest creed”!***

Dear Parents,  
Greetings!

As part of the Lotus Valley International School, Noida Extension's community service programme, our endeavour is to provide students with the opportunity to become active members of their community and have a lasting, positive impact on society at large. Community service or volunteerism enables students to acquire life skills and knowledge, as well as provide service to those who need it the most. So, to inculcate among our learners the importance of community service and the will to help the ones in need, the school is organizing a community service programme in collaboration with the 'Goonj' organization.

A one-hour session will be conducted on Wednesday, 29<sup>th</sup> September 2021, from 1-2pm on the Teams channel for grades VI and VII. The session will be addressed by a resource person from the Goonj organization. Following the session, a collection drive will be organized by the school from 2<sup>nd</sup> to 8<sup>th</sup> of October, 2021 for grades VI-X. A room will be allotted in the school premises, wherein each day the students can come to school and donate some materials such as old books, notebooks, stationary, clothes, shoes, toys or any other valuable item that the children wish to donate. These valuable items would then be sent to the Goonj organization for the poor and the needy.

We look forward to your ward's active participation. Kindly confirm for the same to the class teacher.

Warm regards,

  
Ms Indu Yadav
