

LOTUS VALLEY INTERNATIONAL SCHOOL, NOIDA EXTENSION

CLUB ACTIVITIES – (VI- XII)

LVISNE/2023/PC/431

Date: April. 18. 2023

Dear Parent

In continuation with the club circular shared earlier, we would like to inform you that we are adding one more club option to the existing array of choices. The club name is “**I SHARKTANK**”. It is an experiential learning program for students of Grades 8-12, who would want to learn, explore and experience how to build business strategies, execution planning and learn presentation design for effective leadership. For more information related to the club please go through the information document attached with the circular. The purpose of the club activities has been to render opportunities to students to correlate academic skills with real-world context and facilitate them to learn better social skills, take on leadership roles and bring out their talents.

You are requested to kindly choose one of the activities listed below and fill in the google form link attached below.
