**“Stories have stood the test of time. It is both an art and science of connecting emotionally, physically, and mentally with human beings.”**

Dear Parent,

To highlight the delicate balance of nature and the crucial role we play as stewards of the environment, Lotus Valley International School, Noida Extension has curated an interactive and immersive **storytelling session** for the learners of **grade III on Tuesday, 8 August 2023**. This session will take the learners into the world of captivating tales while also instilling the importance of ‘**Protection of Biodiversity**’ and ‘**Marine Life Underwater**’ that is part of **SDG-14 - Life below Water**.

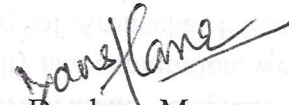

Through enchanting narratives and vibrant characters, the **author of the ‘Adventures of Super Sharkaru’ series –Mr. Kanav Agnihotri** will narrate tales about the wonders of our planet's underwater ecosystems and the incredible diversity of marine life.

Looking forward to a fruitful session.

Warm regards
